### General statement of duties

Performs general duty police work in the protection of life and property through the enforcement of laws and ordinances; does related work as required.

### Distinguishing features of the class

This is general duty police work consisting of routine patrol work in an assigned area, preliminary investigation and miscellaneous duties incidental thereto, performed in accordance with department rules and regulations. A senior officer regularly checks the work and gives specific instructions and assistance when special problems arise, although a Police Officer is required to exercise initiative and discretion when faced with emergency conditions. The work involves an element of personal danger. A Police Officer may be assigned to make plainclothes investigations or to serve in special capabilities such as helicopter dispatcher or community relations representative for the division. Although Police Officer/Police Officer First Class perform the same tasks, the concept of the class is based upon the assumption that Police Officer First Class brings a higher level of knowledge and skills to the job as evidenced by passing a competitive, job related promotional examination and certification from resulting eligible list.
